**Angela Campbell, Paralegal Specialist:**

The petition to cancel filed January 29, 2008 on behalf of RideVehicles LLC is noted. The petition does not include proof of service as required by Trademark Rule 2.111.

Each petitioner is required to serve a copy of its petition for cancellation on the respondent, at the correspondence address of record in the USPTO and must include proof of such service with its petition to cancel at the time of its filing. See Trademark Rules 2.111 (a), (b) and (c)(4), and 2.119. A petition of cancellation filed without the required proof of service does not result in the commencement of a cancellation proceeding.

Because proof of service is mandatory, the petition to cancel will not be considered and is hereby referred to the Finance Branch of the Office for consideration of a refund of the cancellation fee.
